Dotted lines + Disputed Borders

Delivering information in small chunks

Challenging our preconceptions about Jerusalem and what its people look like (see drawing of woman)

Questions

Is Guy's account Biased/ Limited?

What is Guy's Bias?

Does Bias make an account "untrue" or "inaccurate"?

Quotes

"The real Israel and Palestine, what matters most, is how normal everyday people live" HM

"Maybe this is a conversation for later but Guy may not have other peoples' point of view, he is working where the government doesn't have a strong presence so he may be biased. His reason for being there is to help the poor, the Arabs, and Muslims" BW

"Because Palestine exists within Israel, Israel cannot be sure of its territorial boundaries" MWA

"I've been tricked into some door stuff before" HM

Ideas to keep in mind

Complicit/ detached

Empathy

Normal everyday people

No context

When is violence justified?
